Company Overview

Rockfield Soar Limited is a wholly Zambian-owned, rapidly expanding limited liability company operating in Kitwe, Solwezi, and Lusaka. The Company was incorporated in 2019 and is duly registered in accordance with the laws of the Republic of Zambia pursuant to the Companies Act (Cap 388).

Since its establishment, the Company has experienced rapid growth, building a strong reputation for delivering high-quality services in a timely and reliable manner across all its areas of operation.

The Company is managed by a team of qualified and experienced Zambian professionals, including Professional Engineers, Economists, Chartered Accountants, and Procurement Specialists, with experience both within Zambia and internationally. This multidisciplinary expertise enables the Company to combine local industry knowledge with global best practices.

Rockfield Soar Limited operates across mining, construction, transport, and agribusiness, leveraging technical expertise, industry insight, and strong partnerships to deliver dependable supply and services.

We adopt a forward-looking and client-focused approach, ensuring that all solutions are tailored to meet specific operational needs. By aligning innovation with practical execution, we support productivity, safety, and sustainability across all sectors we serve.

Vision

To become a leading and trusted provider of integrated industrial solutions in Zambia and the broader region.

Mission

To deliver high-quality products and professional services that enhance operational efficiency, support industry growth, and create long-term value for our clients and stakeholders.

Core Values

- **Innovation**
We continuously seek improved and efficient methods in our operations to remain competitive and responsive to changing industry demands. Innovation drives our growth and enables us to deliver practical, tailored solutions.
- **Excellence**
We are committed to achieving excellence in every aspect of our business. From procurement and service delivery to customer engagement, we maintain the highest standards of quality and professionalism.
- **Integrity**
We conduct our business with honesty, transparency, and strong ethical principles. We are dedicated to building trust while promoting accountability, corporate responsibility, and community support.

Our Services

Rockfield Soar Limited offers an integrated portfolio of products and services tailored to the requirements of mining, construction, transport, and agribusiness clients. We source and distribute a broad range of modern industrial equipment and consumables through established supply networks in Europe, North America, Australia, and Africa, ensuring both quality and timely delivery.

Mining and Instrumentation Equipment

We supply mining equipment, spares, and consumables for surface and underground operations, including process/slurry handling (pumps, valves, hoses), dewatering, conveyors and rotating spares (belting, idlers, bearings, seals), electrical and automation (switchgear, motors, VFDs, MCC/PLC), and instrumentation/condition monitoring (pressure, level, flow, pH, density, vibration) with associated cabling and enclosures. We also source earthmoving equipment and parts (excavators, loaders, dozers, graders, dump trucks) and GET/wear items (bucket teeth, cutting edges, liners).

Hydraulic Equipment

Our hydraulic solutions are designed for durability and performance in demanding industrial environments. We supply hydraulic pumps, cylinders, hoses, and fittings suitable for mining and heavy-duty applications, ensuring reliability and longevity.

Industrial Chemicals

We supply industrial chemicals for mining, construction, and manufacturing in line with applicable statutory and client requirements. Products are supplied with compliant classification, labelling, and Safety Data Sheets.

Agricultural Equipment

We supply agricultural equipment and spares to support small-holder and commercial operations, including land-preparation and tillage implements, planting and seeding equipment, irrigation and water-transfer systems (pumps, pipes, fittings), crop-protection equipment (sprayers and accessories), harvesting equipment, and post-harvest handling solutions (drying, storage, and handling). Our supply scope also covers key consumables and replacement parts to support uptime and productivity.

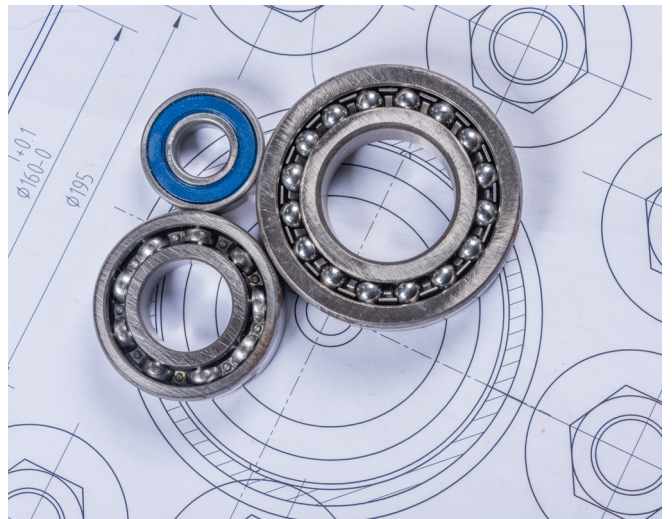

Building Materials

Rockfield Soar Limited supplies a comprehensive range of construction materials for commercial, industrial, and civil works projects, including cement and concrete additives, aggregates (sand and crushed stone), reinforcement products, masonry and finishing materials, and related consumables.

Conveyor Belts and Bearings

We provide high-performance conveyor belts and bearings essential for efficient material handling. Our products are designed to minimize downtime, enhance durability, and ensure smooth operational flow in industrial environments.

Personal Protective Equipment (PPE) & Safety Footwear

Safety is a priority in all operations. We supply certified personal protective equipment (PPE) and safety footwear for mining, construction, and industrial environments, supporting client compliance with occupational health and safety requirements. Rockfield Soar Limited is an official distributor of Rebel safety footwear and related products.

Transport and Logistics Services

We offer dependable transport solutions for the movement of goods and materials. Our logistics services are structured to ensure timely delivery, cargo safety, and operational efficiency across supply chains.

Civil and Mechanical Engineering Services

Our engineering services cover project planning, installation, maintenance, and technical support. We deliver solutions that meet industry standards while ensuring efficiency, reliability, and cost-effectiveness.

Car Hire Services

Our fleet of well-maintained vehicles is available for corporate, industrial, and personal use. We offer flexible rental options tailored to meet short-term and long-term client needs, ensuring reliability and convenience.

Clients and Partnerships

Rockfield Soar Limited has built strong and lasting relationships through consistent delivery of quality services and products. Our growing network of clients and partners reflects our reliability and commitment to excellence.

Our valued clients include:

- First Quantum Minerals (Kansanshi Mining PLC)
- Stebbins (USA)
